

REMARKS

The specification has been amended to include a cross-reference to U.S. Patent Serial No. 09/539,318, filed March 30, 2000, which claims priority to application No. 60/127,232, filed March 31, 1999.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 404332000101. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
